INDEX TO VOLUME 26

A

Aldrich, C. Anderson, Sung, C., and Knop, C., 313

Alkalosis, congenital with diarrhea, 509, 519

American Academy of Pediatrics:
- proceedings, thirteenth annual meeting, 89, 193
- EMIC session, 89
- symposium on parenteral therapy, 193
- rheumatic fever, 209

American Red Cross, announcement of immune serum globulin plan, 411

Amino acids, parenteral administration of, 193

Announcement, 508, 594

Anoxia, prenatal, natal, and postnatal, cases of, late behavioral aspects found in, 353

Antitoxin and sulfonamide drugs, results in treatment of meningococcic meningitis with, 455

Aorta, arch, right, persistent, chronic stridor in early life due to, 128

Appleton, Janet, MacLachlan, E., Gamble, J. L., and Fahey, K. R., 509

Asphyxia, neonatorum, 279

Asthma, children, electrocardiographic studies in, 160

B

Baby manual, 311 (B. Rev.)

Bacilli, paracolon and proteus, in feces of healthy infants, 390
- proteus and paracolon, in feces of healthy infants, 390

Baird, Katherine H., 287

Bancroft, Paul M., 489

BCG, ten years' experience with, experimental and clinical, 470

Behavior, late aspects found in cases of prenatal, natal, and postnatal anoxia, 353

Beloff, Jerome S., and Gang, K. M., 586

Birth and infant death rates, child populations, and medical personnel in certain countries, observations on, 120

Bladder, extrophic, intestinal hernia with eversion and, 78
- exstrophy of, 492

Blahd, Margery, Leslie, E. I., and Rosenthal, S. R., 470

Bloxsom, Allan, 32

Boisvert, Paul, Coggeshall, H., Rantz, L. A., and Spink, W. W., 576

Book reviews:
- Body Poise, 311
- Brush Foundation Study of Child Growth and Development; II Physical Growth and Development, 310
- Children's Bookshelf, 311
- Lectures on Diseases of Children, 310
- Mitchell's Pediatrics and Pediatric Nursing, 310
- Orthopedic Nursing, 310
- Re-education in a Nursery Group, a Study in Clinical Psychology, 311
- The Baby Manual, 311
- The Experiments of Nature and Other Essays, 312

Bookshelf, children's, 311 (B. Rev.)

Bradley, Chester D., and Hogg, P., 406

Brown, Royal L., 61, 291

Bundesen, Herman N., 311

C

Caldwood, Carmelita, and Funsten, R., 310

Child health, study in Great Britain, postwar developments in, 189
- wartime conference on, 104 (Editorial)
- hyperkinetic, psychiatric evaluation of, 559

Childhood, calcification of intervertebral discs in, 178
- penicillin treatment of oral inflammations in, 582

Children, asthma, electrocardiographic studies in, 160
- diseases of, lectures on, 310 (B. Rev.)
- enterozoic parasitism in, correlation of symptomatology with, 291
- incidence of parasitism in, 61
- infants and, diagnosis and management of severe infections in: review of experiences since introduction of sulfonamide therapy; III. meningococcal infections, 1
- treatment of meningococcic meningitis in, with a single intravenous dose of sodium sulfadiazine, 459

Children's Bureau and crippled children's programs, 304

Clemens, Harry H., 66

Clubfoot, congenital, significance of delayed ossification in treatment of, 379

Coggeshall, Howard, Rantz, L. A., Spink, W. W., and Boisvert, P., 576

Crying of newly born babies, 313

D

Darrow, Daniel C., 519

Davis, John H., Morrow, W. J., and Toomey, J. A., 455

Death rates, birth and infant, observations on child populations, medical personnel in certain countries and, 120

Dehydration, parenteral repair of, 196

Dentition, physical growth, and intelligence of white and Negro children through the first four years as influenced by vitamin supplements, 415

Derbes, V. J., and Engelhardt, H. T., 160

Diabetes, symptoms of, pentosuria with, 296

Diarrhea, congenital alkalosis with, 509, 519

Digitalis, recovery with, paroxysmal tachycardia in an infant the fourth day of life, 273

Discs, intervertebral, calcification of, in childhood, 178

Disease and health, variations in growth patterns in, the Fels composite sheet, 336

Donlan, C. P., and Kasabach, H. H., 374

Duodenum, drainage of in steatorrheas, analysis of, 107

Dwan, Paul F., 250

E

Ectopia, inguinal of ovary, 489

Eczema, infantile, hospital morbidity and mortality of, 541

Editorial, wartime conference on child health, 104

Electrocardiographic studies in asthmatic children, 160

EMIC session, American Academy of Pediatrics, thirteenth annual meeting of, 89

Emphysema, generalized obstructive in infants, 36
- subcutaneous, pneumonia, pneumothorax, pneumopericardium, ingestion of kerosene complicated by, 395

Encephalitis lethargica and polioencephalitis, treatment of, 298

Engelhardt, H. T., and Derbes, V. T., 160

Epidemiology, public health aspects, rheumatic fever, 262

Epstein, Stephan, 541

Erratum, 208, 508, 594

Erythrodermia desquamativa of newborn, value of serum protein determinations in cases of suspect, 367

Exanthem subitum (Roseola infantum), 66
Exstrophy of bladder, 492

F

Faber, Harold K., Hope, J. W., and Robinson, F. L., 128
Fahey, Kathleen R., Appleton, J., MacLachlan, E., and Gamble, J. L., 509
Feces of healthy infants, paracolon and proteus bacilli in, 390
Fels, composite sheet; I. a practical method of analyzing growth progress, 327
Funsten, Robert, and Caldwood, C., 310

G

Galvin, Louise F., 255
Gamble, James L., Fahey, K. R., Appleton, J., and MacLachlan, E., 509
Gang, Kenneth M., and Beloff, J. S., 586
Gibson, Stanley, and Kemper, M., 401
—, Philipsborn, H. F., Lawrence, G., and Greengard, H., 107
Gillespie, James B., 120
Glaser, Kurt, and Markson, S. M., 367
Goldring, David, Hartmann, A. F., and Maxwell, R., 1
Great Britain, postwar developments in child health study in, 189
Greengard, Harry, Philipsborn, H. F., Lawrence, G., and Gibson, S., 107
Growth and development of male children receiving evaporated milk, studies on, 415
  Brush Foundation study of child, 310 (B. Rev.)
  pattern of, variations in health and disease, Fels composite sheet, 336
  physical, Brush Foundation study of child growth and development, 310 (B. Rev.)
  dentition and intelligence of white and Negro children through the first four years as influenced by vitamin supplements, 415
  progress of, a practical method of analyzing, Fels composite sheet, 327
Guillain-Barré syndrome, what is? 165

H

Hall, Clark H., 259
Hand-Schüller-Christian disease, 501
Hanging, accidental, with recovery, 401
Hardy, Janet B., and Kendig, E. L., 138
Hartmann, Alexis F., 193
—, Goldring, D., and Maxwell, R., 1
Health and disease, variations in growth patterns in, Fels composite sheet, 336
Heart disease, rheumatic of, and physical fitness of nation as seen by selective service, 220
  murmurs, precordial of, simple device for timing, 570
Hemangioma, roentgentherapy of larnyx in infants, 374
Hernia, intestinal, with eversion and extrophic bladder, 78
Hiss, J. G. Fred, 230
Hogg, Paul, and Bradley, C. D., 406
Hope, John W., Faber, H. K., and Robinson, F. L., 128
Hospital morbidity and mortality of infantile eczema, 541
Howard, Philip J., 273
Hummel, E. G., 501
Huse, Betty, 245
Hutchinson, Sir Robert, and Moncrieff, A., 310

I

Infancy, chemotherapy of staphylococcus aureus infection of lung and pleura in, 481
  mechanical suffocation during, 572
  tuberculous pleurisy with effusion in, 138
Infants and children, diagnosis and management of severe infections in: review of experiences since introduction of sulfonamide therapy; III. meningococcal infections, 1
  crying of newly born, 313
  fourth day of life, paroxysmal tachycardia in, recovery with digitalis, 273
  generalized obstructive emphysema in, 36
  healthy, paracolon and proteus bacilli in feces of, 390
  newborn, purulent parotitis in, 149
  nurseries of two institutions, antigenic relationships of coliform and related bacteria isolated from, 464
  roentgentherapy of hemangioma of larynx in, 374
Infections, severe in infants and children, diagnosis and management of: review of experiences since introduction of sulfonamide therapy; III. meningococcal infections, 1
Intelligence, physical growth and dentition of white and Negro children through the first four years as influenced by vitamin supplements, 415

J

Jaundice, catarrhal, persisting liver damage following, 533
Jenkins, Effie, Silverthorne, N., and Zacks, V., 155
Jones, T. Duckett, and Massell, B. E., 262

K

Kaltenbach, Winifred, and Lyon, R. A., 310
Kasabach, H. H., and Donlan, C. P., 374
Kassowitz, Karl E., 56
Kemper, Mildred, and Gibson, S., 401
Kendig, Edwin L., and Hardy, J. B., 138
Kennedy, Ruth, Stokes, J., Rhoads, T. F., and Rapoport, M., 415
Kerosene, ingestion of, complicated by pneumonia, pneumothorax, pneumopericardium, and subcutaneous emphysema, 395
Key, J. Albert, 265
Knop, Catherine, Aldrich, C. A., and Sung, C., 313
Kramer, Benjamin, and Philips, B., 481
Kuttner, Ann G., 216

L

Lapin, Joseph H., 555
Larynx in infants, roentgentherapy of hemangioma, 374
Lavenstein, Arnold F., 395
Lawrence, Grace, Philipsborn, H. F., Gibson, S., and Greengard, H., 107
Leonard, Donald W., 379
Leslie, Eleanor L., Rosenthal, S. R., and Blahd, M., 470
Levine, S. Z., 196
Lewey, Frederic H., 165
Litchfield, H. R., 279
Liver, damage, persisting, following catarrhal jaundice, 533
Lungs and pleura, chemotherapy of staphylococcus aureus infection of, in infancy, 481
Lymphocytosis, acute infectious, and acute poliomyelitis, 586
Lyon, Robert A., and Kaltenbach, W., 310

M

MacLachlan, Elsie, Gamble, J. L., Fahey, K. R., and Appleton, J., 509
Maliner, Martin M., 570
Marks, M. B., 582
Markson, Simpson M., and Glazer, K., 367
Martin, Alexander T., 209
Massell, Benedict E., and Jones, T. D., 262
Maxwell, Richard, Goldring, D., and Hartmann, A. F., 1

Mazel, Maurice S., 82
McQuarrie, Irvine, 312
Measles, intradermal use of convalescent serum against, 32
Meningitis, meningococcic, diagnosis and management of severe infections in infants and children: Review of experiences since introduction of sulfonamide therapy, 1
results in treatment of, with antitoxin and sulfonamide drugs, 455
treatment of, in children with a single intravenous dose of sodium sulfadiazine, 459
pneumococcic, in newborn, 406
penicillin therapy of, 287
Milk, evaporated, studies on the growth and development of male children receiving, 415
Minnesota, rheumatic fever program in, 250
Moncreiff, Alan, 189
—, and Hutchinson, R. S., 310
Morrow, William J., Toomey, J. A., and Davis, J. H., 455
Mouth, inflammations of, in childhood, penicillin treatment of oral, 582
Murmurs, precordial, simple device for timing, 570

N

Nelson, Waldo E., and Smith, L. W., 36
Neter, Erwin, 390
Newborn, pneumococcus meningitis in, 406
value of serum protein determinations in cases of suspect erythrodermia desquamativa of, 367
News and notes, 106, 203, 303, 411, 505, 593
Nicholson, Percival, 298
Nurseries of two institutions, antigenic relationships of coliform and related bacteria isolated from infants in, 464
Nursery group, re-education in a, study in clinical psychology, 311 (B. Rev.)
Nursing, Mitchell's pediatrics and pediatric, 310, (B. Rev.)
orthopedic, 310 (B. Rev.)

O

Oklahoma, rheumatic fever program in, 259
Ossification, delayed, significance of, in treatment of congenital clubfoot, 379
Ovary, inguinal ectopia of, 489

P

Parasitism, enterozoic, in children, correlation of symptomatology with, 291
incidence of, in children, 61
Parenteral therapy, symposium on, 193
Parotitis, purulent, in newborn, 149
Pediatrician and war, 106, 202, 308, 414, 508, 594
Penicillin, therapy of pneumococcic meningitis, 287
treatment of oral inflammations in childhood, 582
rheumatic fever with, 576
Pentosuria with diabetic symptoms, 296
Personnel, medical, in certain countries, observations on child populations, birth and infant death rates, 120
Peterman, M. G., 296
Philips, Benjamin, and Kramer, B., 481
Philipsborn, Herbert F., Lawrence, G., Gibson, S., and Greengard, H., 107
Physical fitness of the nation and rheumatic heart disease as seen by Selective Service, 220
Plasma, blood, in the treatment of encephalitis lethargica and polioencephalitis, 298
Pleurisy, tuberculous, with effusion in infancy, 138
Pneumonia, pneumothorax, pneumopericardium, and subcutaneous emphysema, ingestion of kerosene complicated by, 395
Pneumopericardium, pneumothorax, pneumonia, and subcutaneous emphysema, ingestion of kerosene complicated by, 395
Pneumothorax, pneumopericardium, pneumonia, and subcutaneous emphysema, ingestion of kerosene complicated by, 395
Poise, body, 311 (B. Rev.)
Polioencephalitis, encephalitis lethargica, and blood plasma in the treatment of, 298
Poliomyelitis, treatment of, indications for and limitations of, 265
acute, and acute infectious lymphocytosis, 586
Populations, child, birth and infant death rates, and medical personnel in certain countries, 120
Preston, M. I., 353
Proceedings, American Academy of Pediatrics, thirteenth annual meeting of, symposium on parenteral therapy, 193

R

Rantz, Lowell A., Spink, W. W., Boisvert, P., and Coggeshall, H., 576
Rapoport, Milton, Kennedy, R., Stokes, J., and Rhoads, T. F., 415
Rehabilitation, a plan for rheumatic subjects, 230
Reynolds, Earle L., and Sontag, L. W., 327, 336
Rheumatic fever, acute, salicylate therapy in, 211
and the American Academy of Pediatrics—general purpose and scope, 209
Minnesota program for, 250
mobilization against, 237
Oklahoma program for, 259
plan for rehabilitation for subjects with, 230
prevention of recurrences, sulfonamide prophylaxis for, 216
public health aspects; epidemiology, 262
state programs for, general statement regarding, 245
treatment of, with penicillin, 576
Virginia program for, 255
Rhoads, Teresa F., Rapoport, M., Kennedy, R., and Stokes, J., Jr., 415
Richman, Ellen Ehrenfest, and Salmon, G. W., 533
Robinson, Francis L., Faber, H. K., and Hope, J. W., 128
Roentgentherapy of hemangioma of larynx in infants, 374
Rosenthal, Sol R., Blahd, M., and Leslie, E. I., 470
Roseola infantum, exanthem subitum, 66
Rowntree, Leonard G., 220

S

Sakaguchi, Shimpei, and Schaefer, A. A., 492
Salicylate therapy in acute rheumatic fever, 211
Salmon, George W., and Richman, E. E., 533
Sanford, Heyworth N., and Shmigelsky, I., 149
Schaefer, Arthur A., and Sakaguchi, S., 492
Schneider, Wilmot F., 559
Selective Service, rheumatic heart disease and physical fitness of the nation as seen by, 220
Serum, convalescent, intradermal use of, against measles, 32
globulin, immune, American Red Cross announcement of plan, 411
in the prophylaxis of contacts and treatment of whooping cough, 555
protein, value of, in determinations of cases of suspect erythrodermia desquamativa of newborn, 367
Shmigelsky, Irene, and Sanford, H. N. 149
Silverthorne, Nelles, Zacks, V., and Jenkins, E., 155
Simmons, Katharine, 310
Sinclair, John G., 78

Smith, Lawrence W., and Nelson, W. E., 36
Smull, Katharine, and Wégria, R., 211
Sontag, Lester W., and Reynolds, E. L., 327, 336
Spink, Wesley W., Boisvert, P., Coggeshall, H., and Rantz, L. A., 576
Spleen, traumatic rupture of, special reference to characteristics in young children, 82
Staphylococcus aureus, chemotherapy of infection of lung and pleura in infancy, 481
Steatorrheas, analysis of duodenal drainage in, 107
Stokes, Joseph, Rhoads, T. F., Rapoport, M., and Kennedy, R., 415
Stridor, chronic, in early life due to persistent right aortic arch, 128
Stuart, C. A., and Van Stratum, E., 464
Suffocation, mechanical, during infancy, 572
Sulfadiazine, sodium, treatment of meningococcic meningitis in children with a single intravenous dose of, 459
Sulfonamide drugs and antitoxin, results in treatment of meningococcic meningitis, 455
  prophylaxis for prevention of rheumatic recurrences, 216
  therapy, review of experiences since introduction of: diagnosis and management of severe infections in infants and children, 1
Sung, Chech, Knop, C., and Aldrich, C. A., 313
Symposium on parenteral therapy, 193
  rheumatic fever, 209

T

Tachycardia, paroxysmal, in infant the fourth day of life, recovery with digitalis, 273
Toomey, John A., Davis, J. H., and Morrow, W. J., 455
Truslow, Walter, 311
Tuberculosis, healed asymptomatic miliary, 56

V

Van Stratum, Elizabeth, and Stuart, C. A., 464
Virginia, rheumatic fever program in, 255

W

Wall, Joseph S., 89
War and pediatrician, 106, 202, 308, 414, 508, 594
Washburn, Ruth W., 311
Weens, Stephen, 178
Wégria, René, and Smull, K., 211
Wheatley, George M., 237
Whooping cough, diagnostic methods in, 155
  treatment of, serum in prophylaxis of contacts and, 555
Winter, Sherl J., 459
Wooley, Paul V., Jr., 572

Z

Zacks, Vivian, Silverthorne, N., and Jenkins, E., 155
